

Faculty Positions Opening

Assistant Professor/Associate Professor/Professor

Department of Electronic Engineering, Feng-Chia University, Taichung, Taiwan, R.O.C.

Feng-Chia University, <http://www.fcu.edu.tw>, is one of the most active universities pursuing prestige in the central Taiwan area. With the campus neighboring to the lately founded Central Science Industrial Park, <http://www.ctsp.gov.tw/CTSP/english/>, Feng-Chia University is promising to boost intensive collaboration with the high-tech industries in the near future. The Department of Electronic Engineering, <http://www.ece.fcu.edu.tw/en/index.htm>, currently has 18 full-time faculties, 450 undergraduates, and 60 graduate and professional students (including Ph.D. program). The department has devoted to comprehensive research and teaching in the fields relating to Semiconductor Technology, Electronic Devices, and VLSI Design. The Department of Electronic Engineering invites applications for its faculty positions of all professor levels with a specialization in the following fields:

Integrated Circuit Design related fields: (1~2 Positions, Starting on Aug. 1, 2006)

including: SoC/VLSI Design, Mixed Digital/Analog VLSI Circuit Design, Radio-Frequency, Low-Power, CAD, Testing, Verification, System Integration/Hardware Architecture Design, etc.

Candidates, committed to the ideal of excellence and service to education, are warmly welcome to join our Department.

Candidate Requirements:

1. Qualification: Ph. D degree in the related fields of Electrical/Electronic Engineering, Computer Science.
2. Rank: all professor levels.
3. Fields: VLSI Design related
4. Employment: beginning on Sep., 2006. or Feb., 2007
5. Profits and pay: competitive to public universities in Taiwan.

For more details, please refer to <http://www.fcu.edu.tw/announce/job/inter.htm>.

6. Applications should provide:

- a. Photocopy of social ID card (Chinese) or official documents stating the applicant's nationality with photo attached.
- b. Proof of Ph.D. degree.
- c. Transcripts of scholastic achievements with grades in curricula.
- d. Official certificate of teaching in university (optional).
- e. A list of publications and two reprints of the representative work.
- f. Three recommendations.
- g. Resume including research interests and plans, educational vita, industrial experiences (if any), and a brief account of applicant's personality.
- h. Other supporting materials.

Applications, including letter stating “Faculty Application”, and vita should be sent to:

Prof. Don-Gey Liu, Chair
Department of Electronic Engineering, Feng-Chia University
P.O. Box 25-239, Taichung 40724
Taiwan, R.O.C.
